Terms and conditions of Vodafone Support Your GAA Club programme

The following are the terms and conditions for the Vodafone Support Your GAA Club programme. As an elected officer of your GAA Club when you sign your Club up to the Vodafone Support Your GAA Club programme you are agreeing on behalf of your Club that it is to be bound by these terms and conditions.

How does Vodafone Support Your GAA Club programme work?

- The Vodafone Support Your GAA Club programme is run in conjunction with the GAA as an official GAA Give-Back Partner programme.
- In order to be eligible to receive any contributions each Club must fill in their registration form and return the completed form to Vodafone Ireland together with the necessary account information and a copy of a recent club bank statement (less than three months old) in order to be set up to receive payment every three months. If the Club has not done so they will not receive payment.
- Only officially affiliated GAA Clubs are eligible to receive contributions for Vodafone Support Your GAA Club programme.
- Vodafone Ireland mobile Pay Monthly and Prepay customers who wish to join the Vodafone Support Your GAA Club programme should visit www.supportyourgaaclub.ie where they can nominate their local GAA Club.
- Only Vodafone Ireland customers who are resident on the island of Ireland will be able to participate in the programme.
- A GAA Club that has been nominated and registered will receive a "contribution" from Vodafone equivalent to 5% of the customer's monthly bill (exclusive of VAT), provided the customer's account is not in arrears, or 5% of Top Ups made (exclusive of VAT).
- The contribution will be calculated on the following basis:
 - (a) For Pay Monthly Customers: 5% of the customer's monthly bill (exclusive of VAT); or
 - (b) For Prepay Customers: 5% of the total Top Ups made (excluding VAT, registration credit and any other loyalty credits) during the relevant period.
- Vodafone will make payments to your Club as a nominated participating Club every three months by interbank transfer into the Club bank account. Vodafone will not make contributions to any participating Club until a minimum contribution from all of the Vodafone Support Your GAA Club programme customers who nominate the same Club reaches €100.
- Vodafone reserves the right to use details of the nominated Clubs and amounts raised by the Vodafone Support Your GAA Club programme for advertising and promotional purposes.
- Vodafone or Vodafone Agents may from time to time contact you as the nominated officer for your GAA Club by post, telephone, e-mail or text message providing information on various aspects of the Vodafone Support Your GAA Club programme. You hereby consent to such contact.
- If any person ceases to be a Vodafone Ireland customer any unpaid contributions due to your Club will be lost.

Additional Contribution for New Vodafone Customers

- Vodafone will make an additional flat contribution of €5 to the club for each customer that has joined Vodafone Ireland from any other network during the promotional period and who has signed up to the Vodafone Support Your GAA Club programme ("New Customers").
- Prepay customers who switch from another network must validate that they are genuine customers by topping up by €20 or more in one go for the Club to receive their €5 contribution.
- In addition Vodafone will offer each Club a further contribution of €10 for every New Customer on or before 31 March 2010 (in addition to the €5 flat contribution) if it reaches a specific Club target of New Customers. Once your Club has registered, Vodafone will be in touch to outline your Club's specific switching target.

Duration of Vodafone support your GAA club programme
